

We acknowledge the Traditional Owners of the land on which the Collie Mural Trail is located, the Wilman people of the Bibbulmun nation, and pay our respects to Elders past and present.

The Collie Mural Trail is an expansive outdoor art gallery, connecting Wellington Dam with Collie's town centre.

Leave at least half a day to explore Wellington Dam and the Collie Town Centre, and make sure you allow some time to check out the attractions of the Collie River Valley while you're at it.
